Mantiene perfettamente la struttura!
Mantains its structure

25690 - BIANCO
kg: 5 - pz: 1 - mat: ZU -

Tropical Sugar è l'unica pasta che mantiene inalterate le proprie prestazioni se mantenuta in frigorifero per 72 ore dopo il passaggio in abbattitore e successiva copertura

Perfetta per la copertura di torte anche di grandi dimensioni grazie all'estrema flessibilità (2 mm con la sfogliatrice) senza crepe o rotture

Mantiene perfettamente la struttura ed è adatta per modelling e lavorazioni complesse senza aggiunta di CMC

Tropical Sugar is the only sugar paste which keeps its characteristics up to 72H in refrigerator, when the cake is frozen in blast chiller before covering

Perfect for large dimension cake covering, thanks to its high flexibility (up to 2 mm with sheeter) without cracking

Maintains its structure and is ideal for complex modelling and working without adding CMC

La pâte à sucre super performante!

Tropical Sugar est la seule pâte à sucre qui maintient inchangées ses prestations: si on passe le gâteau dans la cellule de refroidissement et ensuite on le couvre, elle peut être conservée dans le réfrigérateur pour 72 heures

Parfaite pour la couverture de gâteaux de grandes dimensions grâce à son extrême flexibilité (jusqu'à 2 mm avec le laminoir) sans fissures ou cassures

Elle maintient parfaitement sa structure et est idéale pour modeling et réalisations plus complexes sans ajout de CMC

Der super leistungsfähige Fondant!

Der Tropical Sugar ist der einzige Fondant, der seine Leistungen unverändert beibehält: auch nach dem Schnellkühler kann der überzogene Küche 72 Stunden im Kühlschrank bleiben

Perfekt zum Ueberziehen von großen Kuchen dank der extremen Flexibilität (2 mm mit der Walzmaschine) ohne Risse oder Brüche

Es hält die Struktur perfekt und eignet sich für die Modellierung und komplexe Bearbeitungen ohne CMC-Zusatz

¡El fondant super resistente!

El fondant tropical es el único que mantiene inalteradas sus propiedades hasta 72 hs, conservado en la nevera; la tarta debe cubrirse con el fondant después de haberla pasada por abatidor

Perfecto para cubrir incluso pasteles grandes, gracias a su extrema flexibilidad (2 mm con la laminadora) sin grietas ni roturas

Mantiene la estructura perfectamente y es adecuado para el modelado y trabajos complejos, sin la adición de CMC

A pasta de açúcar super resistente

A pasta de açúcar tropical é a única que mantém todas as suas propriedades inalteradas durante 72 horas, no frigorifico; O bolo deve ser coberto com a pasta de açúcar depois da passagem pela abatidora

Perfeito para cobrir bolos grandes, graças à sua extrema flexibilidade (2 mm com o laminador), sem rachar nem quebrar

Mantém a estrutura perfeitamente e é adequada para modelagem e trabalhos complexos, sem a adição de CMC
